RECENT REPORTING HISTORY UNDER THE PRINCIPAL INTERNATIONAL HUMAN RIGHTS INSTRUMENTS

At their eleventh meeting in June 1999, the chairpersons of human rights treaty bodies recommended that the Office of the High Commissioner for Human Rights (OHCHR) produce a document, on an annual basis, outlining the recent reporting history of States parties to the treaties.

It lists, for all 191 Member States of the United Nations and for three additional States, territories or entities that are a party to one or more of the main international human rights treaties, the last report(s) submitted under the treaties and examined by the corresponding monitoring bodies and the next report(s) due, including any reports that may be overdue.

Member States are encouraged to carefully review the contents. It is current as of 2 June 2003. Please contact OHCHR regarding inaccuracies it may contain. The present document reflects the corrections brought to the attention of the Secretariat since the publication of the preceding version.

The information contained in this document emanates from the Treaty Body System (TBS), an electronic database that manages information relating to many aspects of the work of the six treaty monitoring bodies. The TBS is accessible through the United Nations Human Rights Website (http://www.unhchr.ch).
